	the Applicant, hereby certify that I have carefully read, or have had read		
to me, this document, and I agree to comply with	and be bound by its terms and conditions:		
1. APPLICANT SOLELY RESPONSIBLE:			
The Applicant understands and appreciates, that he/she is solely responsible for ensuring that the proposed construction/renovation fully complies with the City of Montgomery Zoning Ordinance and Building Code Regulations, any other state or local laws pertaining to this type of construction, all relevant plat restrictions and covenants and/or subdivision/homeowner's association restrictions and covenants, and any other restrictions or covenants applicable to this property that may be found in the public records of Montgomery County. For this reason, you are strongly urged to obtain approval from the appropriate subdivision/homeowner's association before you apply for a permit and begin construction. Failure to do so could result in legal action by the subdivision property owner's association to enforce the restrictions or covenants. The City of Montgomery does not warrant that, or assume any duty to determine if, an application for a building permit is in compliance with said restrictions and/or covenants. 2. CITY OF MONTGOMERY ASSUMES NO RESPONSIBILITY: The City of Montgomery in no way warrants, in approving an application for a Building Permit, that the
